

THE BASICS

- There will be 3 rounds of trivia with 15 questions in each round.
- Each question is worth 100 points.
- You'll have 30 seconds after the question is read aloud to select and submit your answer using Crowdpuurr.
- As the 30-second timer ticks down, the number of available points for the question DECREASES! (Pro-tip, the best strategy to earn points is to answer quickly – and correctly)

TEAM SCORING

Every member of your team needs to submit individual answers to each question. Then those scores will be averaged to determine your team's point total.

PRIZES

Teams are competing for 3 top places -

- 1st place team gets to host the Trivia BEE Championship Trophy.
- 2nd and 3rd place teams receive a one-of-a-kind glass trophy from Hilltop Glass Artists.

Individual players are competing for ultimate bragging rights until next year's Trivia BEE.
